EXTERNAL LOGISTICS 2026-2027

LOGISTICS ACRE - AMAZON - BRAZIL

THE WATER THAT YOU CONSUME

Reaching the villages of the Yawanawa people in the western Acre region of Brazil necessitates prior planning and fundamental external logistics to ensure a safe and comfortable journey. Departing from your city of origin in Brazil, you will need to fly to either Rio Branco or Cruzeiro do Sul, located in the state of Acre. From these cities, we will travel by land to Vila São Vicente, where we will commence a river journey lasting between 3 to 9 hours by motorboat to the destination community, navigating the Gregório River.
